## Fine Food & Surroundings at Dunchurch Park

Our Head Chef and his team have created an excellent range of dishes to select from for your event. You can opt for a set menu or choose from our menu selector. From 3 to 7 course dinners, finger buffets to gala banquets, afternoon teas and picnics to barbeques, we have a selection to suit all requirements.

If you would like to discuss alternative ideas, such as a themed meal or special dietary needs, our chef would be delighted to talk through suggestions with you.

The hotel has a variety of rooms that can accommodate private dining for an intimate group of 10 guests or the Garden Rooms suite and Mawson's Marquee for a party night for up to 350 guests.

Have you considered making your dinner party one to be remembered with entertainment such as a Murder Mystery or Race Night? For those big party nights why not add a theme such as James Bond with casino tables or a night at the Oscars.

To discuss ideas for your event please contact our event co-ordinators.

## Tailored golf packages at Rugby Golf Club

We have recently formed an exclusive new partnership with Rugby Golf Club so that you can enjoy some excellent packages at one of the Midlands finest golf courses.

We can offer tailored golf packages to fit in around your conference at Dunchurch Park Hotel and Conference Centre.

### Rugby Golf Club

Founded in 1891, Rugby Golf Club is a friendly private members club situated in the beautiful Warwickshire countryside.

The undulating parkland course has many unique features such as the towering viaduct that dissects the course, or the brook which meanders through several of the holes, making this a thinking mans course. It has the reputation of a good challenge for all levels of player and is a regular venue for county standard matches. It favours accuracy rather than big hitting.

The course layout is perfect with 2 loops of 9 holes starting and ending at the clubhouse, allowing a quick 9 holes if time is short or perfect for a late evening round. The 9th and 18th are tough finishing holes, with the 18th aptly called 'Wrecker'.

You will be assured of a friendly welcome while visiting our Golf Club and the staff will be only too happy to help you enjoy your

days golf, with a fully stocked professionals shop and trolley and club hire available on request.

A practice putting green and short game area will help you sharpen your game before you play.

Two seater buggies are available for hire.
